Via SatNav...

Our postcode is **BS21 6XA** and our full address is Bullock Farm, Back Lane, Kingston Seymour, North Somerset. If leaving the M5 at Clevedon **stay on the B3133** despite what your satnav may tell you, to avoid coming the very narrow, twisty back way into the village. Just follow the directions below.

By road from M5 Junction 20 (Clevedon/Nailsea) ...

Follow signs for the B3133 for Yatton. Follow this road through the village of Kenn. The main road bears left on top of an old railway bridge - Kingston Seymour is signposted here to the right, there is also a sign for 'Fishing Lakes'. This is Lampley Road. Follow the road over the motorway and down into the centre of the village. Take the sharp right turning into Back Lane, Bullock Farm Fishing Lakes are signposted from the village centre. Approximately half a mile further on you will see Bullocks Lane, **ignore this** and take the next turning on the right clearly signposted for Bullock Farm Fishing Lakes.

By road from M5 Junction 21 (Weston-super-Mare) ...

Follow signs for the A370 towards Congresbury and Bristol. In Congresbury, at the second set of traffic lights, turn left for the B3133, Yatton. Drive through Yatton and eventually you will come to a large pub on your left called the Bridge Inn. The road bears right on top of an old railway bridge but Kingston Seymour forks off to the left - fishing lakes are signposted, follow instructions as above.

By Train ...

We are just 2.5 miles from Yatton railway station which is on the main Paddington-Penzance line. If you are arriving by train it's probably best to pre-book a taxi to collect you as Yatton is only a small station and cabs are not always available. Try Yatton County Cars on 01934 832000 or Clevedon County Cars on 01275 343535.

By Air ...

We are a 15-20 minute drive from Bristol International Airport. Hire cars are available at the airport (we would recommend that you look into this before you travel).
